Gardner, Percy, Prof.
[Ashmolean Museum,
Oxford, England]

1923

July 19th, 1923

Professor Percy Gardner
Ashmolean Museum
Oxford, England

Dear Sir:

In connection with the bibliography of the Greek coin hoards which we are preparing, can you give me further information regarding the hoard unearthed at Ramleh mentioned on page 60 in your History of Ancient Coinage. I asked Mr. Robinson, of the British Museum, regarding this, but he was unable to give me a reference to it. Any suggestion you may have will be greatly appreciated.

Very truly yours,

Editor & Secretary
